EPE LIVE Courses

[Foundations for Best Practice in Lactation Care](#) (45 hours) Spend five, invigorating days in a face-to-face, classroom setting and begin your journey in evidence-based breastfeeding and lactation care.

[Clinical Applications in Lactation Care](#) (15 hours, including 3 E CERPs)

This is a two-day face-to-face, practice-oriented intensive program, focusing on case studies and the critical thinking required for those who are working with infant and child feeding issues. Clinical Applications can be your final step in preparation for the IBLCE exam, or it can be an opportunity for you to collaborate with other experienced clinicians and problem solve on complex case studies.

[Advanced Lactation Update and IBLCE Exam Review](#) (17.25 hours)

Hone your skills and knowledge as you prepare to take the IBLCE exam.

Please visit our [Available Programs](#) for detailed information about all of our programs as well as view our [Calendar](#) for training dates and locations that meet your needs.

Here's what people are saying about EPE!

"Your five-day course was so fantastic. I only used the course syllabus to study for the IBCLC exam, and I got a 92! Thank you so much!"
